## Limited Warranty – Automated Valves.

CTH Instruments Ltd. warrants the automated valves to be free from defects in workmanship in respect of the assembly only of the components in the valve assembly for a period of one (1) year from date of shipment.

Material warranty for components in the valve assembly, such as valves, actuators and control devices shall be covered by the component manufacturer's warranty.

This warranty shall not apply to any goods damaged through improper installation, accident, negligence, abuse or poor operating practices.

If any goods are alleged to be defective under the warranty, the purchaser shall notify CTH Instruments Ltd. in writing and, after receipt of shipping advice, the purchaser may return the alleged defective item to CTH Instruments Ltd. Transportation charges are to be paid by the purchaser. If found to be defective, CTH Instruments Ltd. will, at its option and/or component manufacturers option, repair or replace it free of all charges except said transportation charges.

The purchaser's sole and exclusive remedy against CTH Instruments Ltd. shall be limited to the repair or replacement as provided above and CTH Instruments Ltd. shall not be otherwise liable for any claim, loss or damage of any nature or kind whatsoever however caused.

No other warranty, expressed or implied, is given by CTH Instruments Ltd.
